Message from our Head Teacher

Whilst we love to welcome parents into school in many ways, we are also obviously responsible for the safety of our pupils at all times. In light of this please help us in the following ways: Children should enter classes through usual classroom doors from 8.50am and not before. Parents should not enter the school building beyond the office. Please only enter the school building with permission from the school office.

The office area toilets should be used before and after school. No adult or child should access the toilets in school unless advised to by staff.

Parents on site during the school day, should refrain from coming into the school playground and ensure that they do not call pupils over to talk. This is not an activity which we encourage children to do.

We very much appreciate you helping us to keep your children safe at all times.

Nut and Sesame Allergy

Please can we remind you that we have children in our school with nut and sesame allergies. This includes bread rolls, biscuits and cereal bars containing nuts and peanut butter and hazelnut chocolate spread in sandwiches. Please be considerate when packing your child's lunch or snack, as an allergic reaction can be very serious for the children affected and can be brought on by even minimal contact to nuts.
