Please note:

- Where places are limited, they allocation will be on a first come first served basis. As always, commitment and maximum attendance is required. The children should only sign up for clubs where they intend to attend ALL sessions.
- All clubs run from 3.30pm to 4.30pm, except lunchtime clubs. Please ensure the arrangements for your child to return home are clear in their mind and appropriate. Please inform the school if there is a change to the normal arrangement.
- The entries on the above table that are shaded will be those that will require a contribution to enable the club to take place. The figure in the end column is the cost per session and the total to pay for the term. This is non-refundable and requested by the school when your child's place is confirmed.
- As you will notice, some clubs are dependent upon staff volunteering their time and energy. They in turn need your help and support especially with transporting to away sporting fixtures. Without this additional help, it becomes an onerous task to organise and participate in fixtures.
