

## Homework tasks for the Autumn term 2020.

To support learning in school, we would like you to carry out the practise activities outlined below.

### **Practise**

- Engage with Accelerated Reader by reading for a minimum of 15 minutes daily. Encourage your child to ask about words that are unfamiliar to them and looking them up in a dictionary. Included is a list of comprehension questions.
- Practise quick recall of addition and subtraction facts within 20. E.g  $7+8=$  ,  $9-5=$ . This can be carried out with the use of dice, rolling two dice and adding or subtracting them or playing cards (ace to 10) turning two over and adding or subtracting the numbers.
- Practise multiplication and associated division facts up to  $12 \times 12$ . You could log on to Times Tables Rock Stars as part of this.
- Practise adding and subtracting numbers with up to 5 digits.
- Practise spelling the words on the 3/4 and 5/6 spelling list. This can be practised by writing the word correctly as many times as you can in a minute or using look, cover, write., check.
